AMENDMENT AND RESPONSE

Commissioner for Patents
Washington, D.C. 20231

In response to the Office Action mailed on June 6, 2000, please amend the above-identified patent application as follows.

In the Claims

Please amend the claims as follows:

SUB 1
1. (Amended) A graphical user interface for a computer, comprising:
a primary screen;
a predetermined file-container icon displayed on the primary screen; and
one or more file-operation dialog boxes which are accessible by application
programs of the computer and which are defined independent of the application programs
to specify a file container associated with the predetermined file-container icon as a
default document container for files related to the application programs.

SUB 13
13. (Amended) A computer comprising:
a processor;
a memory; and,
a computer program executed by the processor from the memory to provide a
predetermined file-storage folder as a default folder on file operation dialog boxes
accessible by application programs, wherein the file operation dialog boxes are defined
independent of the one or more computer application programs.
